The Intersection Café - Forum for Group Work

The Intersection café is the place where the team gets together to discuss, brainstorm, and collaborate on their Social Challenge Projects.

It is a space where all diversity is welcome for sharing of questions, thoughts that converge to ideas in a creative and constructive manner. It is a movement of divergence to convergence

The team uploads and presents each module assignment to faculty for review and further refinements

Guidance for Group Work

1. Appoint or agree on a spokesperson or coordinator (can be by turns)
2. Call out individual persons to contribute to each of the topics
3. Insert text boxes and content with name and date turn by turn until the topic is complete, example:

Name: Ketan **Date:** 8th May 2021

IDEA: XXXXXX

Name: Aishwarya **Date:** 26th May 2021

IDEA: YYYYYYYY

4. If content/ idea in comment boxes is not clear the coordinator can clarify
5. Once the topic is complete, the coordinator assimilates the content
6. If any comment needs to be addressed to a groupmate use the comment box and tag the team member using @ followed by their email id to send an email update, example: @ketan309@gmail.com
